To whom it may concern.

R.I.S.K. Scientific Production Company has worked with VE Group on several projects.
VE Group's scope of work consisted of

- Providing and installing fire and some tight door with all the accessories
- Providing and installing raised floor systems

VE Group has performed all work on time and on budget.

All materials used, were of high quality and certified to their respective purpose.

We recommend VE Group as a reliable and professional partner.

Sincerely,

Nigar Bayramova
Director General
